

2006 Group 1 Itinerary

Below you will find your group's itinerary for the duration of the continental portion of this program. While we strive to give participant an exact account of the arrangements that have been made, it is sometimes necessary to alter the program itinerary in order to address circumstances that may arise during the course of the program. Participants are to consider the details below as the most current but not the final form of the itinerary. All appointments and venues are subject to change.
